The Tears Of God For Humanity.

I weep for the innocent, the millions that will die for the sins of carnal man. I weep for the bird that will fly for but a moment; for the children who will never know life because of the sins of man...*man who refused them LIFE, A TOMORROW, so HE could have 'Wealth' and 'Abundance' THAT WILL NOT SEE TOMORROW.* Weep not for the *Unborn*, weep for the *Living*, those who will die for *YOUR SINS today*, the sins of hate-filled hearts that God will *not* overlook, *or forgive.*

I have sent My Prophets, My Sages, My Wisemen but you have heeded none of them, so now...reap as you have sown, but do not cry to Me for deliverance from all that you have *knowingly* brought upon yourselves. The choice was yours. You made it flippantly, callously, not caring who you destroyed as long as *you* were happy in the moment, but now that moment has passed, and you shall perish for your sins. Thus Saith God
